**Berks County UCC Churches Combine Efforts and
Provide a Home for a Habitat Family**

Reading-Berks Habitat for Humanity's newest homeowner, Alba Vidal, is a vibrant and hard-working mother of three and grandmother of 7! She and her granddaughter Albalexia are moving into the recently completed Habitat home at 1018 Green Street this month. Alba began working towards purchasing a Habitat home when she applied to the program in February of 2008, and completed her 400 hours of sweat equity in September of last year.

Alba came to Pennsylvania with two of her children after graduating from Beauty School in New York City. She is a very hard worker, and has told us that she cried when she heard there was a Habitat home available for her.

Alba's home was made possible through the work of the Berks County UCC community. UCC churches from throughout Berks County not only raised the funds to complete the rehabilitation of this home, but provided a large portion of the volunteers needed as well. A group of called and lay leaders from Berks UCC churches have spent the last two years spearheading this effort and deserve not only our congratulations, but also our admiration for their hard work and dedication to this project. Those leaders are: Pastor Sterling Fritz, St. John's UCC Gibraltar; Pastor Joseph Motz, St. Paul's Birdsboro; Pastor Steve Ohnsman, Calvary Reading; Pastor Megan Huesgen, Immanuel Shillington; Pastor Gary Halstead, Good Shepherd Boyertown; Cathy Resh, Trinity Mount Penn; Lorie Martin, Community Exeter; and Pastor Pamela Fischer, One UCC in Shillington.

Please join us as we bless and dedicate Alba's home with the UCC Churches that sponsored this project and our wonderful volunteers. The dedication ceremony will be held on Sunday, June 28th at 2:00 pm at 1018 Green Street in Reading.
